

Rent-To-Own Calculator

Why choose Rent-To-Own financing? Stop *wasting money* at a self-storage facility and actually receive something for your money. Walk out to your backyard for all your things instead of driving *all the way* to the self-storage facility. In today's challenging economic climate, let Good Shepard (our financing company) be your best friend. **No credit check and no personal intrusions!** With only a small down payment and a few references, you can easily OWN your own structure!

Enter building price, sales tax rate, and select a payment type to calculate the required monthly and down payments.

Enter Building Price:

Enter Sales Tax:

Choose sales tax rate of the Sales Lot where the structure will be purchased
